DESCRIPTION AND PURPOSE OF ITEM

This item identifies the County to which credit for maintenance of a highway section is assigned.

This information is used to summarize highway mileage geographically.

This item is computer-generated using codes recorded in County (Item 6), County Adjacent (Item 9) and Maintenance Responsibility (Item 13). If in question, contact the Central Bureau of Urban Program Planning.

Note: This item is included on extract files only.

CODE AND SCREEN ENTRY INSTRUCTIONS

A 3-digit numeric code, right justified.

For County Credited codes, use table provided for County (Item 6).

Highway sections inventoried in and maintained by an agency within a County are assigned to that County.

Highway sections inventoried in a County and maintained by an agency in an Adjacent County are assigned to the Adjacent County.

Highway sections inventoried in a County and maintained by agencies in both that County and an Adjacent County are assigned with half the section mileage to the inventoried County and the remaining mileage to the Adjacent County.
